The Downtown Hamilton Business Improvement Area (BIA) represents a group of property and business owners within a defined geographic area who collectively develop, promote and protect the commercial viability of the area. The BIA promotes vibrancy downtown through events, beautification efforts, public art initiatives, and more. We are also a source of information for business members and advocate on their behalf.

MISSION: The Downtown Hamilton Business Improvement Area provides value to our members through advocacy, beautification, promotion, development, and preservation of downtown Hamilton.

VISION: A vital and prosperous downtown that is the focal point of Hamilton.

HOW TO FALL IN LOVE WITH DOWNTOWN HAMILTON

TAKE A TOUR

Tours are a great way to explore a city and discover areas that you've never seen before. Through our website, you can take a self-guided tour to explore local history or the public art pieces in the area. Local tour companies can also offer a wealth of knowledge on many topics.

TRY SOMETHING NEW

Spice up your life by trying something new! You could hit up a new-to-you restaurant or try out an entirely new cuisine. Explore a new hobby or switch it up and take a new route to work. The unfamiliar might become your new favourite.

TRY A FOOD CRAWL

Hamilton's food scene has exploded over the past decade. With new restaurants popping up every day, how could we ever try them all?! With a food crawl of course! Choose 3 - 5 restaurants and spend an evening trying small dishes or drinks from each. Then you'll know exactly where you should return to for an entire feast!

SHOP LOCAL

Shopping local is the best way to fall in love with where you live. While searching for hidden treasures, you will come to appreciate everything that these local businesses do for their community. Plus, when you spend locally, that money is more likely to go right back into the local economy, making downtown an even better place to be.

BE A TOURIST

Be a tourist in your own city! Hit up those highly rated restaurants, check out a museum, see a show! When you look at the city with fresh eyes, you'll fall in love all over again.
